- Scan film negatives of various sizes to achieve high-quality.
- Print proofs for exhibition prints and books using ImagePrint.
- Manage digital archive in Lightroom, Dropbox, and across physical hard drives.
- Coordinate file delivery to book publishers and other clientele.

Pace Gallery
New York City

Independent Contractor
Sept 2021 - Present

Intern
July - Aug 2021

Photography & Imaging Intern/Contractor

- Photograph artwork in a wide range of mediums in gallery, studio, and outdoor spaces using artificial and/or available lighting, high resolution cameras, X-Rite ColorCheckers, and Profoto/Broncolor lights.
- Edit images, often in large quantities at a time, to look clean while retaining realistic colors and detail using Adobe Photoshop, Lightroom, and Capture One.
- Create installation catalogues using Adobe Bridge and InDesign for use by the Library and Archives department.
- Organize files on file sharing platforms such as Dropbox, Asana, and NetX for gallery use online and in print.

Ryan McGinley Studios
New York City
May 2023 - August 2023

Studio Intern

- Work on set by helping with equipment transportation, set up/break down, lighting assistance, and maintaining organization.
- Shoot auxiliary video to compliment Mr. McGinley's images while on assignment.
- Edit photo and video in studio under Mr. McGinley's instruction using Adobe Photoshop and DaVinci Resolve.
- Run occasional errands to pick up rental equipment and props or deliver materials.

Group SJR
New York City
June - August 2022

Production Intern

- Assist on video shoots by setting up/breaking down equipment, modifying lighting, organizing media on hard drives, and running errands when necessary.
- Edit images and video for clients and internal use with Adobe Creative Suite.
- Consolidate reference imagery for mood boards and style guides.
- Create biweekly schedules outlining tasks for staff.

Steven Klein Studio
New York City
Jan - May 2022

Studio & Archive Intern

- Assist team with organizing, archiving, and distributing physical and digital images to various locations, including the studio's archive and digital database.
- Photo editing/retouching using Adobe Creative Suite applications and Capture One.
- Ensure that studio and archive are clean and organized.
